O.S.

A woman with long blonde hair, wearing a wide-brimmed straw hat and a sleeveless white dress with a vibrant floral and geometric pattern, stands on a dark, wet rock at the edge of the ocean. The sun is low in the sky, creating a shimmering reflection on the water's surface. The background shows the vast blue sea and a clear sky.

The background of the entire image is a close-up, high-resolution photograph of numerous skeins of organic cotton yarn. The yarn is a light cream or off-white color and is twisted into a standard two-ply construction. The skeins are piled together, creating a dense, textured pattern of loops and ridges. The lighting is soft and even, highlighting the natural texture of the cotton fibers.
