SPRING SUMMER 2027

Olympia

Back to where beauty meets the light.

A journey through Greece, where fashion moves with the rhythm of the sea,
where linen, textures and silhouettes are touched by the warmth of the sun.

Streets of white stone, endless blue horizons and timeless landscapes
become the perfect backdrop for a collection inspired by freedom, elegance
and nature.

Back to the essence of summer.

Back to effortless style, to sunlit days and unforgettable moments.

Connecting with the Mediterranean spirit to return to our roots.

*Feel free.
Dress light.
Live anywhere.*

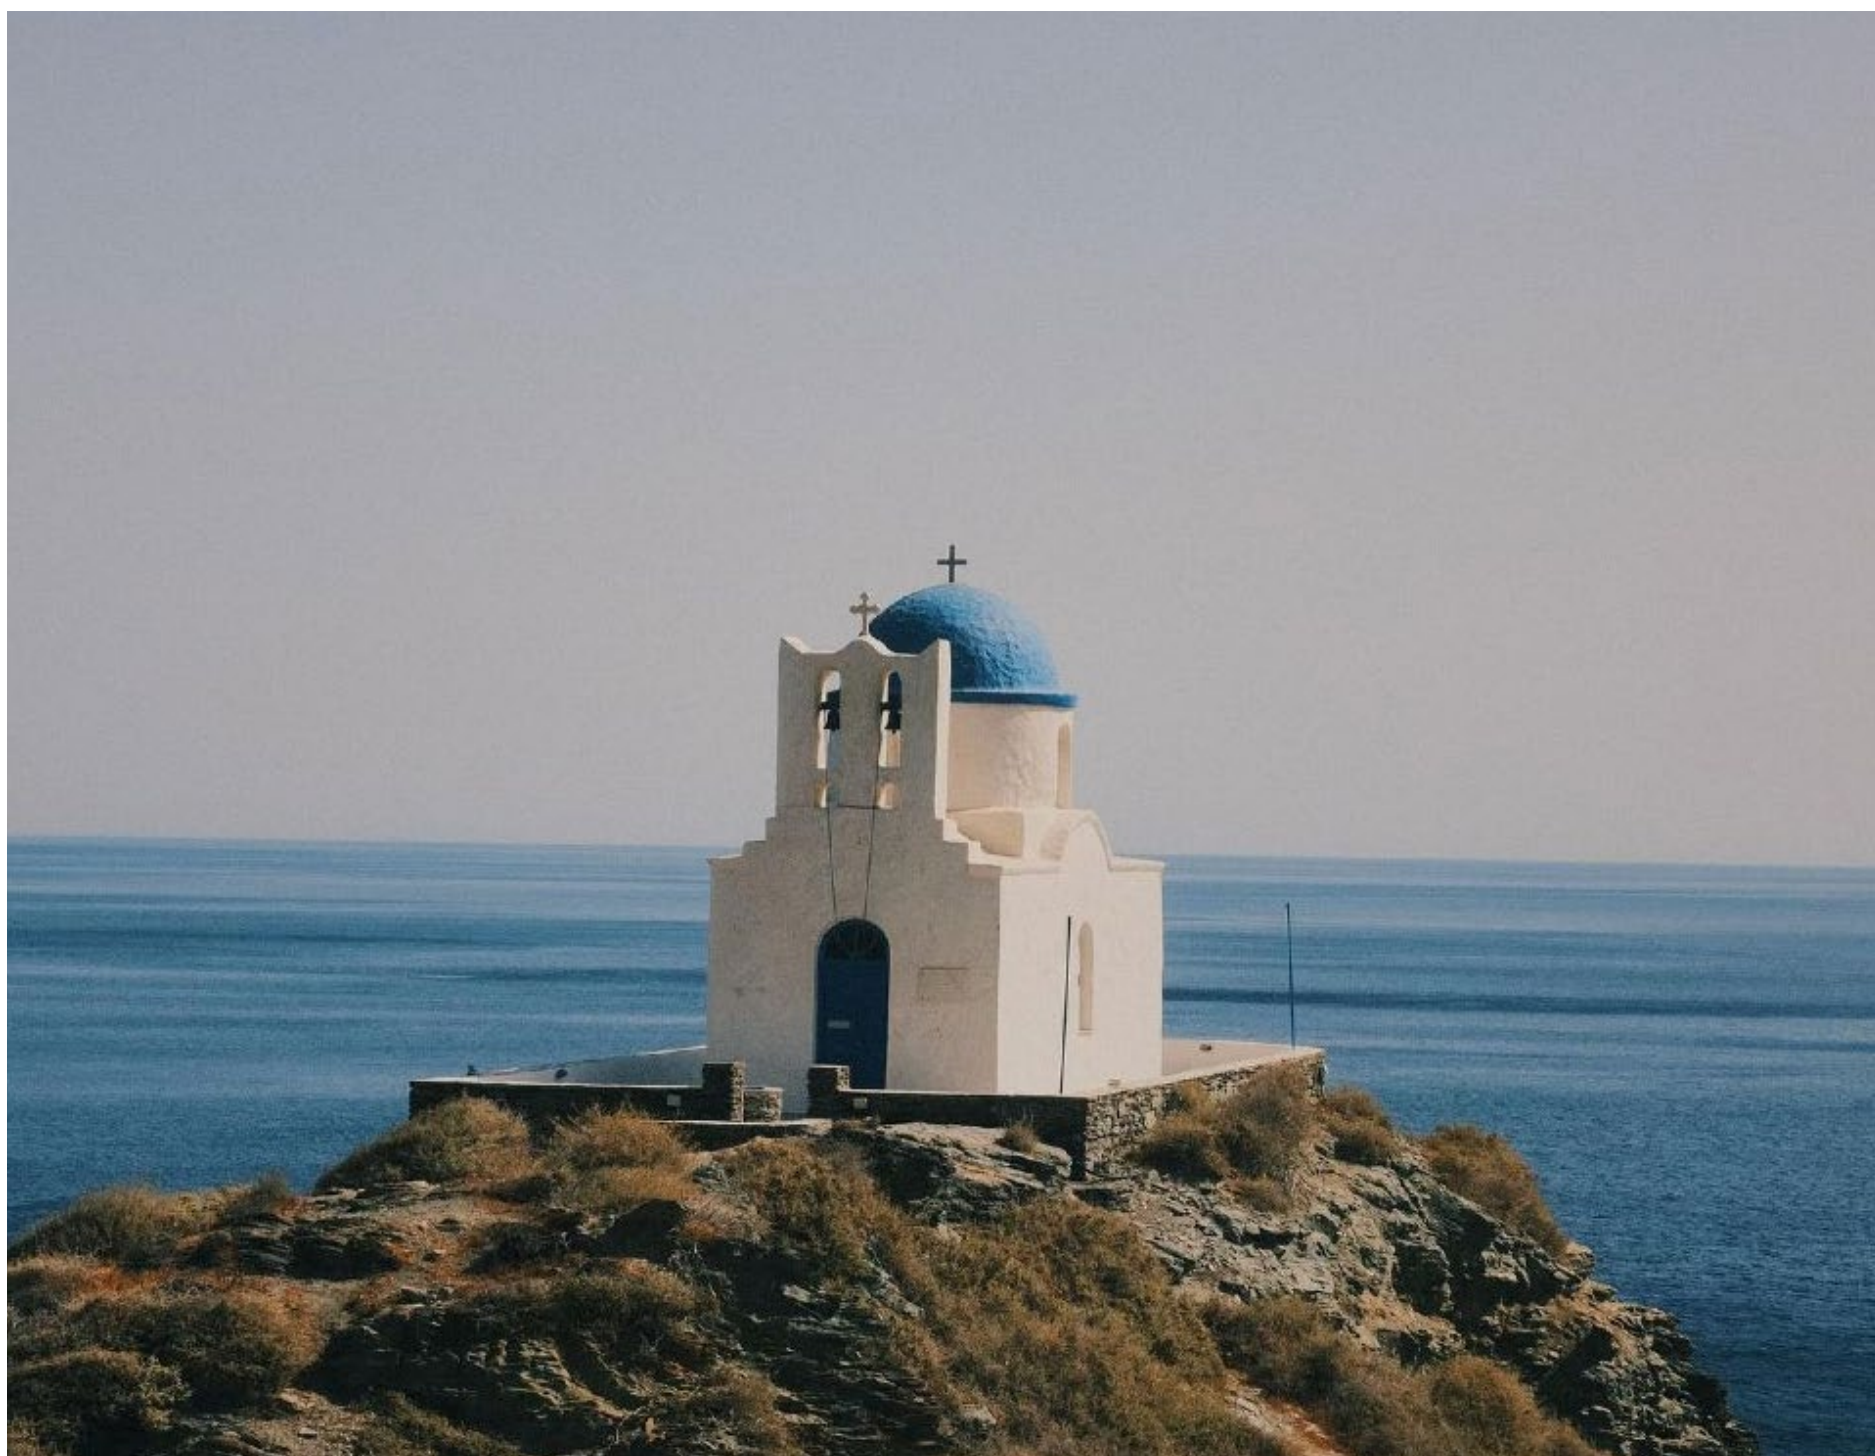

*Run free.
dream softly.*
